

TOWN OF HUDSON
Special Town Board meeting
May 14, 2025

Chairman Fowler called the special Town Board meeting to order. Present were Supervisors Thill, Blank, Fosterling, and Lang, and Clerk Vickie Shaw.

Discussion was held on the 1st Responders. Fowler noted that the cost to add 1st Responders to Worker's Compensation policy would be \$179/yr for four responders. He also read Section 7 of the contract with Lakeview EMS regarding 1st Responders and the role of Lakeview EMS.

Motion by Fosterling, 2nd by Thill that we do not have an employee relationship with 1st Responders. At some point in time if Lakeview decides they want to pick them up that's great. But at this point all we are saying, my motion is to not take on that responsibility. Motion carried 4-1. Fowler opposed.

Motion by Lang to dissolve the relationship that we developed with Dr. Ace last month. No second. Motion withdrawn.

Motion by Fowler, 2nd by Lang to adjourn. Motion carried.

Respectfully submitted,
Vickie Shaw
Town Clerk
